

Registration Instructions

Visit the Calendar and click on the event you wish to register for.

Click "Register Now."

Fill out the form with your child's information.

If you **DO NOT** want your child's photo taken at library events, please UNCHECK the photo release box, located after AGE/GRADE.

Click "Register" button at the bottom of the page.

Things to know:

- A page confirming your registration for that event will come up.
- You will receive an email confirming your registration for each event.
- You must register each child individually.
- Click "Return to Library Events" at the bottom of the confirmation page to return to a full list of events.

Register another person for this event (at the same address)

Click here to register another child/person

Click here to register another child from the same household.

Optional Features:

Check the "Remember Me" box at the bottom of the registration form to save your information. **NOT** for use on public computers.

CREATE AN ACCOUNT: Your confirmation page/email also includes a link to set up an account. If you choose to do so, this account allows you to see, manage, and cancel all library events.

REQUEST REMINDER EMAIL: Type your email into the box and click the "Request Email Reminder" button.**

***Ms. Kate will be sending reminder emails through the system prior to events as she always does. The email will read in your inbox as being from Florham Park Library. The email itself is "noreply@engagedpatrons.org, please add this address to your contacts if you often have emails end up in your spam folder.*

REQUEST TEXT REMINDER: Type in your phone number and select your mobile carrier from the drop down menu. Click the "Request Text Reminder" button.
